

CHANGEOVER

What a great night!
PHFs to John Armstrong, Shirley Smith (+1), Sue Mees (+1) and Corina Hewitson of the Bays Club.
RBB Rotarian of the year is Sue Mees.
And a special thanks to Josie & Adrian for their hospitality over the years; many fun social times have been had at their lovely home.

President Ian will be away for a couple of months & has tapped a few people on the shoulder to chair our breakfast meetings in his absence.
As we have a few vacancies in the guest speaker slot, we'd love to hear some of your stories...travel, heart attacks, misdemeanours, honours, awards & trophies. I'm sure some of you have tales to tell. Contact the chairperson of the meetings 3 Sep (Colin P) , 17 Sep (Paul E), 1 Oct (Mehran) to offer your services.
And remember, what happens at Rotary doesn't necessarily stay in Rotary.

DEFIBRILLATOR

...is finally installed in Phoenix Plaza in Browns Bay. Now let's hope nobody needs to use it. Nice to see so many members of the Browns Bay Business Assn attending our little launch party.

A huge thanks to Dave Gerrie of Ecomist North Shore for his generous contribution which enabled us to purchase the machine, & a special thank you to John Cliffe whose donation will pay for the ongoing servicing for the next few years. Ecomist provides pest control & odour control & Dave is offering a special discount to RBB members.
Contact him at ecomistns@xtra.co.nz or on 021 476 681.

SOCIAL EVENTS

Frank & Anne are taking over the events portfolio from Josie. They'd love to hear of any ideas you have: movies, ten-pin, theatre, ferry trips, weekends away...

DETECTIVE INSPECTOR SCOTT BEARD

What a fascinating speaker he was and did he have some tales to tell!
Better work stories for sure.
As per our new policy, we asked Scott to nominate his favourite charity. So a donation has been made to Starship on his behalf.

RUBY JUBILEE

Our celebration dinner is on October 14 at the Bays Club.
We are looking for memorabilia; do you have anything stored at your place?
If you are still in contact with former members, please pass their details to Sally so we can send them an invitation.
We'd love to see as many of our former members as possible there. We'd also love to gather up old photos etc.

HEALING GARDEN

If you need to go to North Shore Hospital for anything (new knees or hips, broken bits, age-related issues etc), check out the healing garden in the beautiful new hospital (Totara Haumarū). It is really fabulous & there is plenty of Rotary signage around, including Rotary Browns Bay's name on the sponsors board. Sure beats a curtained-off cubicle when you have visitors.

You don't have to be a hospital patient to visit; there is plenty of parking right outside...so pop in and have a look if you're in Milford.
Rotary District 9910 contributed \$100,000 to this project; RBB gave \$3000.
